

## 6.1 Category 1: Model Veterinary Certificate B - Cats and Dogs from Australia (includes Norfolk Island)

<p><b>Country:</b></p>	
<p>I, ..... an Australian Official Veterinarian, certify after due enquiry, in regards to the animal identified in the attached veterinary certificate that:</p>	
<p>(1) In the 12 months prior to the date of export there have been no cases of the following diseases diagnosed in Australia:</p> <p>(a) Canine brucellosis (<i>Brucella canis</i>).</p> <p>(b) Rabies.</p>	
<p>(2) To my knowledge, in the 12 months prior to the date of export there have been no cases of Leptospirosis caused by <i>Leptospira interrogans</i> serovar <i>canicola</i> reported in Australia.</p>	
<p>(3) The cat or dog was inspected in the two days prior to travel and is:</p> <p>(a) Healthy and fit to travel.</p> <p>(b) Free from external parasites.</p> <p>(c) Free from clinical signs of infectious disease.</p> <p>(d) (Only for a dog that is not castrated or spayed) free from any visible signs of canine transmissible venereal tumour on examination of external genitalia (which includes examination of the extruded penis).</p>	
<p>(4) The veterinarian whose signature appears on <i>Veterinary Certificate A</i> is a registered veterinary practitioner in Australia and is authorised to sign export certification to New Zealand.</p>	
<p>(5) All tests were conducted at a government approved laboratory.</p>	
<p>(6) All of the documents were examined and found to be correctly completed in accordance with New Zealand import health standard requirements. These documents are attached and stamped.</p>	
<p>(7) The microchip number was confirmed as ..... and is recorded on all vaccination and treatment records, laboratory results, and certification.</p>	
<p>(8) The animal was placed in a container that meets the <i>International Air Transport Association (IATA) standards</i>. The container was clean, dry, and free of pests.</p>	
<p><i>Note: Government veterinary signature and stamp to be applied to all pages (including laboratory reports).</i></p>
