Kia ora Demelza

Thanks for getting in touch. Yes we will be happy to accept a later submission from Regional Public Health. Our general approach to granting extensions to organisations has been to ask for the submission by Thursday 17 October. I appreciate that this is a day earlier than you have requested, please let me know if this will be an issue.

Kind regards,  
Tom Corser

Kia ora

Regional Public Health would like to put in a submission on the Proposed National Policy Statement for Highly Productive Land but we are struggling to complete this by Thursday. Is it possible to request an extension until next Friday 18 October?

Many thanks
