Subject: Ngai Tahu submission on NPS-UD and NPS-HPL

Kia ora Hamish,

Thanks for your phone call last week requesting an extended timeframe to put through the Ngai Tahu submission. As indicated on the phone it is not a problem for the urban or HPL team to receive a late submission (particularly within the week timeframe you suggested). I have confirmed this with my colleagues working on the HPL proposal too.

Please feel free to get in contact with any other questions,

Nga mihi nui,
Stephanie
