Dear Sir/Madam,

I have chosen to send a simple submission as an attachment.

I am hoping you will receive my submission in this form.

(I have read the document 'Valuing highly productive land'. It is very well written but I simply don't have the capacity to discuss the document and answer the questions constructively as requested. My single focus is about a restructure of the way productive land is handled.)

I appreciate the opportunity to submit.

Yours,

Graeme Wilson
