Hi,

Please find attached the submission of Dunedin City Council with respect to the proposed National Policy Statement for Highly Productive Land released in August 2019. The Dunedin City Council (DCC) commends the Ministry for Primary Industry and the Ministry for the Environment on the development of the proposed National Policy Statement for Highly Productive Land and appreciates the opportunity to provide feedback. Please note City Development staff may have some specific suggestions for amendments to address any concerns raised that will be sent following this submission.
