Batch number: 30603/1  
Expiry date: April 2025  
Sold between: January - March 2024

Attention customers,

Virbac New Zealand Limited is recalling the above product, Equimax® LV 7.49gm, due to a quality complaint concerning the unusual appearance of the product.

**What to do:** There is no reason to believe that there are any potential safety issues, however it is recommended that customers do not use this product. If you have used any of this product and have any concerns about the health of any animal treated with the product, then seek veterinary advice.

Please return the product to this store to receive a full refund.

Virbac New Zealand Limited wishes to apologise to our customers for any inconvenience that this may cause. This recall does not affect any other batches of this product or any other products.
