Beekeeper name	Beekeeping business address (owner of hives)
Beekeeper listing ID: (Beekeeper listing ID as assigned by MPI, or the relevant RMP ID or Food Act risk-based measure ID)	Beekeeper identification code: (as contained in the Apiarist Register operated under the American Foulbrood Pest Management Plan)
Processing/extraction operator name:	
RMP/Food Act identifier:	
Business address:	

Consignment Details				
Product type (use one row for each day of harvest)	Quantity (in kgs or the number of supers, boxes etc.)	Identified as (optional) (for beekeepers traceability use)	Apiary site(s) identification code	Date of harvest (use one row for each day of harvest)

Declarations: The following declarations relate to all bee products identified in this document and the apiaries where those products were harvested from.		
(a) FOR HONEY ONLY: Does this honey need to be tested for tutin prior to sale or export for human consumption? If "No" please explain. Your explanation must include which option(s) in the Food (Tutin in Honey) Standard 2016 has/have been met:	Yes	No
(b) Only agricultural compounds permitted for use in beehives or beekeeping equipment have been used, and the use complied with any label or approval conditions (also tick "Yes" if no veterinary medicines or agricultural compounds have been used). If "No" please provide further details (e.g. product name, date, and code) for affected product, and explain why this product should be considered suitable for human consumption:	Yes	No
(c) The bee products and beekeeping equipment have been stored and transported under conditions which minimise exposure to contamination. If "No" please provide further details (e.g. product name, date, and code) for affected product, and explain why this product should be considered suitable for human consumption:	Yes	No
(d) All apiaries are operated in compliance with the American Foulbrood Pest Management Plan. If "No", the bee products are not eligible for export to the European Union for human consumption.	Yes	No
(e) Any feeding of bees during the harvest season complies with the Animal Products Notice: General Export Requirements for Bee Products.	Yes	No
<i>I declare that all the statements made in this document are true and correct. I am aware that the details provided will be received and retained by the processor and may be provided to the Ministry for Primary Industries for the general administration of the Animal Products Act 1999. I consent to that happening.</i>		
Apiarist or beekeeper signature:	Date:	
<p>Note: It is in offence under section 127 of the Animal Products Act 1999 to provide false or misleading information in this statement. Under Principle 3 of the Privacy Act 1993 we advise that:</p> <ul style="list-style-type: none"> (a) this information is being collected to support the fitness for purpose and traceability of bee products for export in accordance with the requirements of the Animal Products Notice: General Export Requirements for Bee Products; and (b) the recipient and the person that will hold this information is the operator identified in this form. The agency that will collect the information, is the Ministry for Primary Industries, P O Box 2526, Wellington; and (c) the supply of this information is mandatory for the purposes of export and failure to provide the requested information will result in bee products being ineligible for export; and (d) under Principles 6 and 7 of the Privacy Act 1993, you have the right of access to, and correction of, any personal information, which you have provided.
