CTO direction to biosecurity inspectors for the direction of goods to a facility other than that prescribed in the relevant import health standard

Pursuant to section 27(1)(d)(iii) of the Biosecurity Act 1993 I, Lucy Johnston, Senior Adviser, Ministry for Primary Industries (under delegated authority), give the following directions for risk organisms or goods to be directed to a facility different to that prescribed in the relevant import health standard:

Organisms or risk goods may be directed to an alternative containment or transitional facility to that described in the relevant import health standard where that facility has been approved to an alternative transitional facility standard that offers equivalent, or higher containment and management of the risk goods or organisms.

This direction takes effect from the date of signing and continues in effect until amended or revoked.
