

# Additional properties

## Forestry in the Emissions Trading Scheme – post-1989

ETSAP.6

Use this form if you are submitting an application to register land in the ETS and you need more space to list the properties in your application.

For each property, you must indicate with a tick if a forestry right or lease is registered on the certificate of title, if it is Māori land, or if it is subject to a Crown conservation contract.

Legal description	Registration district	Title reference	Registered forestry right or registered lease	Māori land	Subject to a Crown conservation contract
			Expiry date:		
			Expiry date:		
			Expiry date:		
			Expiry date:		
			Expiry date:		
			Expiry date:		

If you do not know the title reference, contact Toitū Te Whenua Land Information New Zealand:

[www.linz.govt.nz/contact-us](http://www.linz.govt.nz/contact-us)

The name(s) listed on the relevant certificate of title, register of deeds, Māori Land Court record, or Crown conservation contract must match the names of the NZETR account holders. If the names don't match exactly (for example, when you've had a legal name change) you may submit a statutory declaration declaring that you are the person named on the certificate of title.

You can complete a statutory declaration using the form available on the New Zealand Government website:

<http://www.govt.nz/assets/Documents/Law-crime-and-justice/Statutory-declaration.pdf>

Include a copy of the certificate of title.

Indicate the type of your relationship to each certificate of title or Māori Land Court record included in this application (one tick per title).

If you tick registered forestry right or lease holder, the forestry right or lease must be registered on the general land title. If the forestry right or lease is only registered on the Māori Land Court record, you cannot register the land.

Title	Landowner	Registered forestry right or lease holder	Party to Crown conservation contract

Use as many copies of this form as you need.

Submit the completed form with your application.
