

Remove Land from a CAA

Emissions Trading Scheme (Forestry) – Post-1989

Te Uru Rākau

Forestry New Zealand

ETSP89RLD.6

Before completing this application, please ensure you are a Participant with post-1989 forest land registered in the Emissions Trading Scheme (Forestry) who is:

- Seeking to remove **part** of the land in the CAA because **part** of the land in the CAA is no longer eligible. You could be seeking to remove this land for a variety of reasons, not limited to but including, choosing not to re-establish forest after harvesting or as a result of damage due to windthrow or pests/disease.
- Seeking to remove **part** of the forest land in the CAA because it is no longer eligible because a natural event has occurred that **permanently** prevents re-establishing forest on the land. This means that **part** of the forest land in the CAA is no longer eligible (e.g. land that is removed by river erosion).

If you are removing **ALL** of your CAAs use the *Participant Deregistration* form. If you are removing **all** of the land in a CAA use the *Remove CAA* form. These forms are available at www.teururakau.govt.nz/growing-and-harvesting/forestry/forestry-in-the-emissions-trading-scheme/forms/.

Note: All information is **MANDATORY** unless indicated as 'optional'.

3 New forest shapefile

Under the Climate Change (Forestry Sector) Regulations 2008 this application is required to be accompanied by certain geospatial mapping information (commonly referred to as a shapefile). The shapefile content and format must meet the *Geospatial Mapping Information Standard* available at www.teururakau.govt.nz/dmsdocument/4756-geospatial-mapping-information-standard-emissions-trading-scheme-forestry. You should also read *A Guide to Mapping Forest Land for forestry in the Emissions Trading Scheme* available at www.teururakau.govt.nz/growing-and-harvesting/forestry/forestry-in-the-emissions-trading-scheme/mapping-forest-land-in-the-ets/.

Please tick you have complied with the following statements:

- I have included my forest shapefile **with polygons of my removed forest land** on a CD or other digital media, which conforms to the Mapping Standard.
- The forest shapefile does not add any land to the registered Post-1989 forest land that Te Uru Rākau has recorded through your registration and subsequent CAA transactions i.e. removed forest land is constrained by the boundaries of polygons Te Uru Rākau has recorded through your initial registration and subsequent CAA transactions.

CAA selection

Please list the CAAs affected by the Post-1989 forest land that you are wishing to remove from the Emissions Trading Scheme (Forestry). Under “Reason for removal” you will need to tick one of the following:

- A** - This is when a participant is voluntarily withdrawing **part** of the forest land from the Carbon Accounting Area (CAA).
- B** - This is when a participant must withdraw **part** of the forest land in the CAA because it is no longer eligible as natural event has occurred that **permanently** prevents the re-establishment of forest on **part** of the forest land in the CAA (e.g. land that is removed by river erosion).
- C** - This is when a participant must withdraw **part** of the forest land in the CAA because it is or will be deforested e.g. not replanting after harvesting or extensive damage.
