MAKING IT HAPPEN: BIOSECURITY 2025 IMPLEMENTATION PLANNING WORKSHOPS

“Join the conversation to help shape how we’ll to turn the strategy into reality.”

Join us for a day of workshops to begin the planning for implementation of the Biosecurity 2025 Direction Statement.

Six workshops will be held. Five of the workshops will focus on the Biosecurity 2025 strategic directions. The remaining workshop will focus on community engagement for biosecurity. The workshops will include:

- Feedback from the Biosecurity 2025 public consultation and workshops held around the country,
- Identifying what actions are needed to work towards the strategic directions,
- Discussing who is willing to play a role, and
- How to be involved in the implementation process.
