

Application Form AP65 Non-Dairy Maintenance Compound Approval

Before you start, let's check that you have everything you need:

- You are filling out this form as you need approval for the maintenance compounds used by the operator in processing non-dairy animal products under the Animal Products Act 1999 regime.
- You are required to submit the product label (or a copy), a full formulation of the product and product information sheet (required only if it contains claims relating to maintenance compound use or the product label does not include directions for use.)
- If your business is a registered limited liability company, you need a copy of the company registration certificate and your New Zealand Business Number (NZBN). See www.companies.govt.nz
- The application fee according to the payment section of this form.
Note: all fees on this form are inclusive of GST.
