

Hearing Presentation - Proposed Salmon Farm Relocations

Peter Martin and Nikki Elliot

2 May 2017

PowerPoint presentation with photos – being supplied on the day – electronic copy to be taken then.

Paper copies of the presentation with notes will be provided for the Panel members on the day – along with a summary sheet of our main questions to them.

We will be speaking to and elaborating on the following issues – in the order of the presentation headings below.

Presentation heading order

- Public awareness issues
- Prohibited areas + alleged “environmental improvements”
- Water column effects
- Remote, wilderness aspects - marine wildlife + humans
- Scientific processes

Any questions - please contact:

Nikki Elliot
