### New, Unwanted, or Genetically Modified Organisms

Does your request for the importation of live animals cover any of the following as defined by the 'Hazardous Substances & New Organisms Act'?

- an organism belonging to a species that was not present in New Zealand immediately before 29 July 1998:
- an organism belonging to a species, subspecies, infrasubspecies, variety, strain, or cultivar prescribed as a risk species, where that organism was not present in New Zealand at the time of promulgation of the relevant regulation:
- an organism for which a containment approval has been given under this Act:
- an organism for which a conditional release approval has been given:
- a qualifying organism approved for release with controls:
- a genetically modified organism:
- an organism that belongs to a species, subspecies, infrasubspecies, variety, strain, or cultivar that has been eradicated from New Zealand

Yes	Please attach the <a href="#">Environmental Protection Authority</a> decision document to this application. These documents can be downloaded using the register search at the above link. Should you wish for more information contact <a href="mailto:noinfo@epa.govt.nz">noinfo@epa.govt.nz</a>
No	I certify that there are no new organisms, including genetically modified organisms, in the above or attached product description details

**If animals are to be exposed to any product or organism in New Zealand then you must also provide proof of approval from your local Animal Ethics Committee.**
