

Dairy Farmer who makes cheese

A farmer and cheesemaker who milks their own animals and makes cheese for sale in New Zealand and Australia

Which regime will you be operating under?

Legally you have a choice, to either operate under both the Animal Products Act and the Food Act or just the Animal Products Act. Ministry for Primary Industries recommends you operate under just the Animal Products Act and this card provides you with the information to do that

Who do you register with?

The Ministry for Primary Industries

Which registration forms/s do you need to complete?

[AP4- Registering your risk management programme](#)

[AP49- Processing Categories](#)

[AP1- Animal Product Exporter Registration \(if exporting to Australia\)](#)

How much will you pay to register?

\$356.50

How frequently will you be verified and will you require any other assessments?

Up to an 18-month verification and an annual farm dairy assessment
