

MPI Animal Exports Team are aware of issues with these particular Overseas Market Access Requirements (OMARS), however exports may be possible.

If you are planning an export with one of these OMARS please contact MPI Animal Exports team to discuss the implications of the requirements as soon as possible

Overseas Market Access Requirements Notification - Animal Products Act 1999

Regulation & Assurance Branch, Animal Health & Welfare Directorate, Ministry for Primary Industries

Ref: AE-DK-45

Date: 04 December 2018

ZOOREP.DK 10 DECEMBER 2018 – REPTILES FOR ZOOLOGICAL PURPOSES TO DENMARK

1. Statutory authority

Pursuant to section 60, section 60A, section 62(1) and section 167 of the Animal Products Act 1999 I notify the following:

- (i) the issue under section 167 of the overseas market access requirements for Reptiles for zoological purposes to Denmark, ZOOREP.DK dated 10 December 2018;
- (ii) the determination under section 62(1) of the format and content of the official assurance for Reptiles for zoological purposes to Denmark.

This notice takes effect from 10 December 2018.

Dated at Wellington this 5th day of December 2018.

Howard Pharo
Manager Import and Export Animals
Animal Health & Welfare Directorate
Regulation & Assurance Branch
(acting under delegated authority)

2. Denmark requirements

Reptiles for zoological purposes exported from New Zealand to Denmark must be accompanied by an Official Assurance in the form of a completed zoosanitary certificate.

The zoosanitary certificate as specified below must be completed and certified, after due enquiry, by an Official Veterinarian of the Ministry for Primary Industries.

Explanatory Note: If the zoosanitary certificate is not certified then the reptiles for zoological purposes do not satisfy the conditions in the notice. Likewise, if the reptiles for zoological purposes do not satisfy the zoosanitary requirements in the certificate, then the certificate will not be certified.

Certificate No:

NEW ZEALAND MINISTRY FOR PRIMARY INDUSTRIES

ZOOSANITARY CERTIFICATE

Commodity: REPTILES FOR ZOOLOGICAL PURPOSES

To: DENMARK

Exporting country: NEW ZEALAND

Competent authority: MINISTRY FOR PRIMARY INDUSTRIES

VETERINARY CERTIFICATE

I,, being an Official Veterinarian of the New Zealand Ministry for Primary Industries, certify, after due enquiry in regards to the animal identified in this zoosanitary certificate, that:

1. PREMISES OF ORIGIN

- 1.1 The premises of origin is a zoological garden or other institution that is approved, licensed or registered by the New Zealand Government to hold reptiles for zoological purpose.
- 1.2 Each animal for export has been continuously resident in the premises of origin since birth or for at least thirty (30) days prior to certification.

2. PRE-EXPORT ISOLATION

- 2.1 The animal(s) for export was isolated from other animals not of the same health and residency status for thirty (30) days prior to the scheduled date of export, and remained free from clinical signs of infectious or contagious disease until certification.

3. TREATMENT AND EXAMINATION

- 3.1 Each animal was individually examined by an Official Veterinarian within twenty four (24) hours prior to the scheduled export and found to be healthy and free of skin lesions and clinical signs of infectious diseases.

4. TRANSPORT

- 4.1 Each animal is shipped in a container that meets the appropriate container requirements specified in the International Air Transport Association (IATA) Live Animals Regulations.
- 4.2 After due enquiry, the official veterinarian is satisfied that the container for the transport was cleaned and disinfected prior to loading the animals with an officially authorized disinfectant and so constructed that faces, urine, litter or fodder could not flow or fall out of the vehicle or container during transportation.

.....
Name and Address

Note: the Official Veterinarian must sign, date, and stamp, each page of the veterinary certificate, using a different colour ink to the paper and the print, and, where applicable, sign, date and stamp each page of the documents (e.g. laboratory reports) and all documents, e.g. laboratory reports, that form part of the extended health certification.

EXPORT CERTIFICATION

(This is not part of the official certification)

COMMODITY: REPTILES FOR ZOOLOGICAL PURPOSES

COUNTRY: DENMARK

NOTES: This is a new export certificate which was agreed by the Ministry of Environment and Food of Denmark on 28th November 2018.

1. Importation is only permitted into an approved body, institute or center in Denmark.
2. Each animal must be individually identified with an International Standards Organisation (ISO) compliant microchip (transponder), and the site of implantation and the identification number of each animal is recorded on the veterinary certificate.
3. It is the person in charge of the goods responsibility to identify and to ensure compliance with all requirements of any other regulatory and advisory bodies prior to and after importation, (e.g. CITES).
4. Animals must travel in a container recommended for that particular species under the International Air Transport Association (IATA).

Section 61A of the Animal Products Act 1999 states that 'The Crown is not liable, and nor is the Director-General or any employee of the Ministry liable, for any loss arising through the refusal or failure of the relevant authority of an overseas market to admit export animal material or animal product to that market'.
