Hi s 6(d)

Please find attached the briefing sheet for May.

The ANZCCART conference in Wellington is starting to heat up with interest from Campbell live attempting to do a story on it and the activists have for some time now been getting themselves organised for a good turnout. They have been having fund raisers in Wellington and also doing recce's on the conference venue.

We are well underway in our planning for the event and have already tasked our people in the field. s and I will be heading down to Wellington on Friday before the conference commences and returning the following Wednesday, we have a busy few days planned and should be able to achieve a lot on the national issue.

Look forward to catching up after this event some time to meet your new Op's Manager and cover the conference with you.

Regards

Hi s 6(d)

Thanks for getting back to me on this one. I have called your mobile and left a message however due to the close proximity of this event I thought it prudent to email you.

There has been some interest expressed by private sector industry that may be affected by this event and we should be able to get some contribution from industry to go towards costs.

Is it possible that you can make some financial assistance. We will ensure that MAF gets the benefit of all the intelligence gathered.

If it works for you we can delay or bring forward the invoice to work in with your budget if that helps.

Regards

Hi s 9(2)
()

Thanks for the opportunity outlined below. I have to decline the offer however. This is more to do with financial constraints within the organisation at the moment as opposed to an unwillingness to further our information base,.

So I guess we are just going to have to miss this opportunity. Please be advised that I appreciate your input, again it is a matter of financial constraint at this particular time of the year.

Regards s 6(d)

Hi s 6(d),

As discussed there is a major Animal Rights Conference is being held Wellington from Friday 9th to Sunday 11th June 2006.

TCIL see this as a great opportunity to obtain relevant intelligence on New Zealand's Animal Rights Activists and we would like financial assistance from MAF to attend for the three day period. It is expected that this conference will also be attended by overseas activists.

Our proposal is to have physical attendance of two operatives, an internal source (CHIS) and matters to be collated by our analyst. Our objective will be to ascertain identities of persons attending, determine their intent and establish what risk they may pose to New Zealand's agricultural future.

An estimate of costs are:

Day Rate attendance for two personnel 3.5 Days
s 6(d)

Analyst for charting
s
9(2)

CHIS funding
s 6(d)

Disbursements. (All disbursements will be on charged at cost).

Flights for two personnel Auckland to Wellington and return
\$600.

Accommodation Wellington three nights
\$450

Rental vehicle 4 days
\$300

s 9(2)(b)(ii) and disbursements as outlined above.

Details of the conference can be viewed at www.ar-conference.org.nz
<<http://www.ar-conference.org.nz/>>

s 6(d) I trust that this proposal meets with your approval and we can commence our planning regarding this event. I look forward to hearing from you regarding this.

Kind Regards

Hi s 9(2)
()

Sorry I missed you on the phone. Got your message and appreciate the options put forward. I have to admit I am loathe to let this matter slip by.

Could I place a figure of \$3,000.00 ceiling as my contribution to any combined effort being considered?

Let me know your thoughts.
