Dear s 9(2)(a)

I have been asked by my Director General to cease our commercial relationship with TCIL as it relates to receipt of the monthly Natex publication.

I will schedule an appointment late next week to discuss the reasons for such a move and the future ahead.

I will ask s 9(2) to schedule the meeting and I am happy to come to your office if necessary.

Kind regards s 6(d) .

s 9(2) ... would you mind scheduling a time in for me to meet with s 9(2)(a) from Thompson and Clarke Investigations either Thursday or Friday next week.? Thanks

s 6(d)
