# Response to the service requirements

## Supplier tips

In this section, you are asked to provide your response to the service requirements by demonstrating your organisation's ability to meet the approval criteria and have the required capability and capacity.

You may include any additional information that is not specifically requested if you believe it adds value and is relevant to the service requirements.

## Pre-approval conditions

## Supplier tips

You must be able to answer 'yes' to each of these questions to be a pre-approved supplier.

You must currently be meeting these conditions. If your business intends to be able to meet them at some time in the future, please complete your answer as 'no'.
