

CTO Direction to an MPI Inspector

CTO direction code for recording in Quantum: CTOPlants20180020:

- Pursuant to section 27(1)(d)(iii) of the Biosecurity Act 1993 I, give the following directions for clearance of used motorbikes managed within MPI-Approved Used Vehicle and Machinery Systems in Japan without the use of an MPI-Approved Treatment, providing the following criteria are met:
 - 1) Used motorbikes are managed by an MPI-Approved Used Vehicle and Machinery System in Japan.
 - 2) The motorbikes must be exported to New Zealand in Sea containers.

- This CTO Direction is valid until 1 November 2020 at which stage it must be reviewed, unless it is amended or revoked earlier or the Import Health Standard is changed in such a way this equivalent measure is made redundant.
