

# Cervine Embryos to Australia (Guidance)

CEREMB.AU

Effective from 8 May 2019

## 1 Purpose

- (1) This guidance document has been issued to accompany cervine embryos to Australia (OMAR). This guidance document should be read in conjunction with that OMAR.

## 2 Specific guidance for the zoosanitary certificate

- (1) These requirements are the minimum requirements for importation into Australia. Different zones of Australia have different animal health statuses, and state or territory veterinary authorities may require further testing or certification for certain diseases before direct export into a specific zone.

## Disclaimer

This guidance does not constitute, and should not be regarded as, legal advice. While every effort has been made to ensure the information in this guidance is accurate, the Ministry for Primary Industries does not accept any responsibility or liability whatsoever for any error of fact, omission, interpretation or opinion that may be present, however it may have occurred.
