s 9(2)(a)

Dear s 9(2)(a)

OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request on 14 May 2019 relating to documentation held by the Ministry for Primary Industries (MPI) regarding swamp kauri. In our decision letter, dated 5 July 2019, MPI advised that we would release all requested information to you by 12 July 2019. The below information is released to you under the Official Information Act 1982.

- **Indigenous Timber Milling Statement, 17 December 2018**
- **Indigenous Timber Milling Statement, 7 January 2019**
- **Indigenous Timber Milling Statement, 8 February 2019**
- **Indigenous Timber Milling Statement, 4 April 2019**
- **Indigenous Timber Milling Statement, 26 April 2019**
- **Indigenous Timber Milling Statement, 29 April 2019**
- **Indigenous Timber Milling Statement, 10 May 2019**

- **Notice of Intention to Export Swamp Kauri, 1 November 2018 (AK1066)**
- **Notice of Intention to Export Swamp Kauri, 22 January 2019 (AK1069)**
- **Notice of Intention to Export Swamp Kauri, 6 March 2019 (AK1072)**
- **Notice of Intention to Export Swamp Kauri, 24 March 2019 (AK1073)**

The swamp kauri included in these consignments contains both stump material and finished and manufactured indigenous timber products.

In regard to stump and root material, exporters are required under the Forests Act to notify Te Uru Rākau of an export and present it to a Forestry Officer for inspection. If Te Uru Rākau are not satisfied that sawn timber is stump material then they will not provide a customs indigenous timber clearance number for it to be exported. Forestry Officers are often able to be satisfied sawn timber is from stump material by the

shape of large slabs and the grain pattern in sawn timber. Where visual cues are not apparent, Forestry Officers may also be able to link sawn stump timber with whole stumps they know have been milled through their regular sawmill inspections.

Conversely exporters are not required by law to notify a Forestry Officer of their intention to export finished or manufactured indigenous timber products (FMITP). In cases where exporters voluntarily notify a Forestry Officer of such exports, a Forestry Officer will provide an opinion on whether the proposed export meets the statutory definition of a FMITP.

Te Uru Rākau will continue to be responsible for the detection of illegal exports and to the extent possible, prevent breaches of export restrictions. Te Uru Rākau will investigate suspected exports of indigenous timber that do not meet the definition of a FMITP, for example, where it has been determined that the export of a product as a FMITP has occurred with the intention of further manufacture at the time of export.

A further document, '*Decision: 22/12/18 Export - Swamp Kauri Sculpture - Kaihu Kauri – PARKER Nelson*', is also available on the Te Uru Rākau website.

<https://www.teururakau.govt.nz/growing-and-harvesting/forestry/indigenous-forestry/exporting-indigenous-timber-and-timber-products>

In addition, Te Uru Rākau is currently developing a Forest Strategy that will set a vision and clear direction to help New Zealand transition to a more sustainable future. If you are interested, further information can be found on the Te Uru Rākau website. www.teururakau.govt.nz.

Yours sincerely

Elizabeth Heeg
Acting Director Forestry & Land Management

Dear Sir

Indigenous Timber Milling Statement

Please find attached an INDIGENOUS TIMBER MILLING STATEMENT, which provides for the milling of indigenous timber;

No. 7-00-03067

10.0 m³ Kauri

The approved volume is log roundwood volume.

This statement does not give a right to access land or a right to the ownership of indigenous timber.

Milling of indigenous

Sawmills milling indigenous timbers are required to be registered under the Forests Act 1949. The sawmiller should receive a copy of the Milling Statement.

It is your responsibility to ensure that you meet any other regulatory requirements. Before harvesting, you should check with your relevant Regional or District Council for any compliance requirements with Regional and/or District Plans under the Resource Management Act 1991.

Yours faithfully
