

Equine Semen to the United States of America (Guidance)

EQISEM.US

Effective from 4 October 2019

1 Purpose

- (1) This guidance document has been issued to accompany *Equine Semen to the United States of America (OMAR)*. This guidance document should be read in conjunction with that OMAR.

2 Additional information

- (1) The United States of America (USA) importer should obtain an import permit from the US Department of Agriculture (USDA), Animal and Plant Health Inspection Service (APHIS), Veterinary Services, Import-Export Animals Staff, Unit 39, 4700 River Road, Riverdale, MD 20737. This permit must accompany the semen shipment from New Zealand to the USA.
- (2) The semen should be routed directly to the USA with no stops en-route other than those provided for on the import permit.
