Caution: Certificate invalid unless bearing the official Stamp  
of the Department of Agriculture, Food and the Marine

Certificate No: YY/XXXX

The animal products herein described are commercially packaged, eligible for unrestricted intra-Community trade and comply specifically with the relevant animal health and public health standards and requirements recognised equivalent by the Agreement between the European Community and the Swiss Confederation on trade in agricultural products 2002/309/EC and which meet the equivalent animal health/public health standards and requirements of New Zealand.

**Additional Declaration(s)/Guarantee(s) (Tick as appropriate):**

I, the undersigned, hereby certify that:

a. The animal product is eligible for intra-Community trade without restriction.

AND

b. The animal product is pasteurised.

OR

c. The thermised cheese has a moisture content of less than 39% and pH less than 5.6. The milk used to produce this cheese was rapidly heated to at least 64.5°Celsius for 16 seconds. The cheese was stored at not less than (greater than) 7°Celsius for 90 days.

OR

d. The hard raw milk cheese has undergone a curd heat treatment of no less than 48°Celsius and has a moisture content of less than 36%, and has been stored at no less than 10°Celsius for at least 6 months (including transit time).

OR

e. The milk products listed below are raw milk (unpasteurised) products.  
Product name: (list products)
