Dear [REDACTED]

OFFICIAL INFORMATION ACT REQUEST

I refer to your official information request on 22 February 2019 regarding information relating to the current and expired Government Development Strategies (GDS) as of 30 June 2018.

We have reviewed the PDF document you have supplied. The document included thirteen strategies from the Ministry for Primary Industries. Of the thirteen strategies, there were none that have expired between 1 July 2018 to 31 December 2018.

In addition, there have been no new strategies published and released between 1 July 2018 and 31 December 2018 that would need to be included in your PDF.

Thank you for your interest in the strategic direction of the Ministry.

Yours sincerely

Amy Allison
