EXPORT CERTIFICATION

(This is not part of the official certification)

COMMODITY: REPTILES (non-commercial)

COUNTRY OF DESTINATION: HONG KONG

NOTES: This is a new export certificate. It is based on “Permit Terms for Pets Animals (Non-commercial Consignment Attachment No.: PR-02” which were issued by the Hong Kong Agriculture, Fisheries and Conservation Department (AFCD). The export certificate was approved by the Hong Kong Agriculture, Fisheries and Conservation Department on the 15th of January 2014.

1. An Import Permit is required and can be obtained from:

Agricultural, Fisheries and Conservation Department (AFCD)
Cheung Sha Wan Government Offices
303 Cheung Sha Wan Road
Kowloon
HONG KONG

2. The permittee must notify the Duty Officer of Import and Export Section during office hours (Tel. (852) 21821001 / Fax. (852) 27698600 / Email foii_airport@afcd.gov.hk) at least 24 hours in advance of the anticipated time of arrival.
3. The animals must be transported by the fastest and most direct route from the exporting country/place to or through Hong Kong as Manifested Cargo.
4. The Prevention of Cruelty to Animals Ordinance, Cap. 169, the Public Health (Animals & Birds) Ordinance, Cap. 139, Protection of Endangered Species of Animals and Plants Ordinance, Cap. 586 and all other relevant legislation must be fully complied with.
5. The granting of the special permit cannot be construed as a waiver by the licensing authority to import scheduled animals and birds listed under the Protection of Endangered Species of Animals and Plants Ordinance, Cap 586.
6. In the event of the animals being directed to the AFCD Airport Animal Hostel under official escort, the permittees (or agent) will be required to provide transport for the transfer to and from the said hostel and to pay the hostel accommodation fees. Without prejudice to other terms of the permit, payment of these fees must be effected before release can be obtained.
7. If this certificate is applicable for animals imported by a tertiary education institute; the animals are imported for animal research approved by the Panel of Committee on Research Practices of the University and licensed by Department of Health under the Animals (Control of Experiments) Ordinance, Cap. 340.
8. Failure to comply with the requirements, as stipulated in the permit, may render the animals liable to be rejected to the country/place of export or quarantine for a period determined by a Senior Veterinary Officer at the cost and risk of the permittee. The permittee may be prosecuted.
9. AFCD has laid down an “Approved Reptiles List” and if the species under application is not scheduled on the list, prior examination will be conducted before considering the issuance of permit to its import. The major factors taken into account are: level of domestication of the species, risk of diseases introduction, animal welfare, public safety and ecological impact, etc. If you wish to obtain the “Approved Reptile List”, please contact AFCD direct.
10. It is the exporters responsibility to make enquiries whether a CITES (Convention on International Trade in Endangered Species) Permit is required. The Department of Conservation (DoC) should be contacted for this.

11. In regards to clause 2 of the export certificate, the shipment should be accompanied by a laboratory report which certifies that the turtles are free of Salmonellosis.

12. For further information on exporting reptiles to Hong Kong, see the AFCD website at the following address:
