

- Pinpoint, Plan, Pack**
- If it's not safe for you – it's not safe for your animals
- ✓ **Pinpoint**
 - ✓ Ensure your animals are microchipped and registered with current contact details
 - ✓ Know where you can take your animals if you have to leave
 - ✓ What are the hazards on your property?
 - ✓ What are the common hazards in your area?

- Possible hazards:**
- **Floods**
 - ✓ Can you and your animals get to higher ground?
 - **Fire**
 - ✓ How will you get your animals away from the fire zone, and where will you go?
 - **Earthquake**
 - ✓ Who will check on them after an earthquake?
 - **Volcanic eruption**
 - ✓ How far away do you need to get and where will you go?
 - **Adverse weather**
 - ✓ Know what to do if there's a storm coming or plan for dry conditions/drought

■ In an emergency

- call **111**

■ If your animals are effected in an emergency

- Local Council: number _____

Animals in Emergencies

Preparing
for your
Lifestyle
block

■ Plan

Prepare emergency kits for your animals, check them regularly, and keep them accessible.

Have copies/backups of necessary documents and records.

■ You're at home

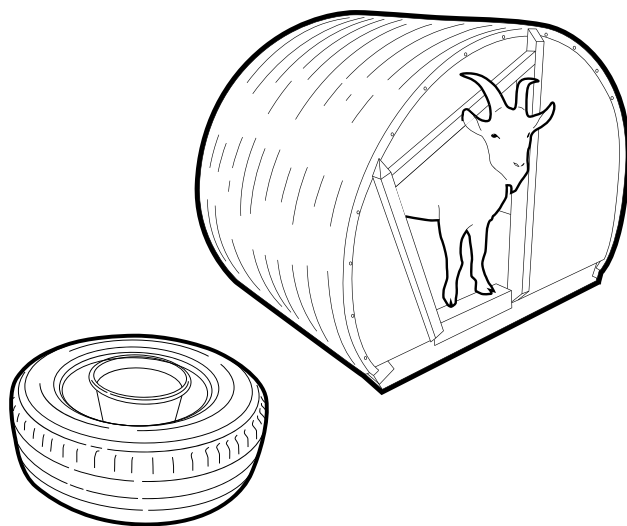

- ✓ Have an animal home emergency kit
- ✓ Be prepared for no water, power or communications
- ✓ Check on your neighbours and their animals
- ✓ Be prepared to evacuate

■ You can't get home

- ✓ Pre-arrange for someone to check on your farm – let them know where your emergency kit is stored

■ You have to evacuate

- ✓ Take an animal getaway emergency kit
- ✓ Identify places where you can take your animals .
- ✓ Have a way of moving and holding your animals while away from home e.g. crate, cage, float, truck, trailer, mobile fence
- ✓ If you can't evacuate your animals quickly, know how to leave them in a safe place on your property

■ Pack

■ Home Emergency kit (supplies for 3 days)

- ✓ Drinking water
- ✓ Feed
- ✓ Medication
- ✓ First aid kit

■ Getaway Emergency kit

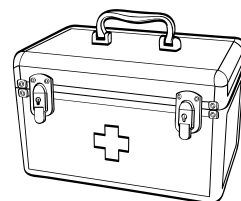

- ✓ Drinking water
- ✓ Food
- ✓ Medication
- ✓ First aid kit
