## Important Information

1. All applicable parts of the form must be completed.
2. Sufficient information must be provided to describe the nature and quantity of the organisms being moved, including scientific name and, where applicable, individual identifier, gender, number of vials/containers etc.
3. 'Authorised Signatories' are persons that have been authorised by the facility operator to sign movement request authorities, and have been approved as such by MPI. Authorisation must be in writing, have been accepted as such by MPI, and recorded in the facility documentation prior to receipt of movement authority requests.
4. This form may be used for one-off (single) movements or multiple movements of the named uncleared risk goods. It is not necessary to name the number of multiple movements that may occur.
5. In order to inform the receiving facility of the conditions specified in the original Permit to Import, a copy of the conditions should accompany the consignment or sent to the receiving facility separately. It is the responsibility of the Operator of the receiving facility to ensure that the risk goods being received are held subject to the conditions specified in the original Permit to Import.
6. No movement of risk goods must be initiated prior to receiving MPI approval.
7. All conditions of the authorisation must be complied with. Compliance will be subject to verification by MPI.
8. Failure to comply with this authorisation, or any part(s) of it, is an offence under section 154(N)(6) of the Biosecurity Act 1993 and may be subject to penalties under that Act.
