Important Information

1. All applicable parts of the form must be completed.
2. Sufficient information must be provided to describe the nature and quantity of the organisms being moved, including scientific name, individual identifier, genetic modification, number of vials/containers and whether it is a human pharmaceutical etc.
3. In the absence of the Biosafety Clearing House (BCH) number(s), the HSNO approval number(s) for each organism will suffice.
4. Under the Imports and Exports (Living Modified Organisms) Prohibition Regulations 2005, the purpose of export is restricted to 'contained use', unless otherwise permitted by the Minister for the Environment. Consequently, you must confirm the purpose or provide evidence of permission from the Minister for the Environment for another purpose specified in the aforementioned Regulations.
5. 'Authorised Signatories' are persons that have been authorised by the facility operator to sign movement request authorities, and have been approved as such by MPI. Authorisation must be in writing, have been accepted as such by MPI, and recorded in the facility documentation prior to receipt of movement authority requests.
6. This form may be used for one-off (single) movements or multiple movements of the named uncleared risk goods. It is not necessary to name the number of multiple movements that may occur.
7. No movement of risk goods must be initiated prior to receiving MPI approval
8. All conditions of the authorisation must be complied with. Compliance will be subject to verification by MPI.
9. Failure to comply with this authorisation, or any part(s) of it, is an offence under section 154(N)(6) of the Biosecurity Act 1993 and may be subject to penalties under that Act.
10. There may be other provisions of the Imports and Exports (Living Modified Organisms) Prohibition Regulations 2005 that apply to the LMOs listed in this authorisation. This authorisation does not absolve you of the need to comply with these regulations.
