1. Statutory authority

Pursuant to section 60 of the Animal Products Act 1999, I notify the following overseas market access requirements, entitled laboratory mice to the Republic of Korea.

This notice takes effect from date of signing.

Dated at Wellington this 4th day of July 2006.

Signed: Clive Gower-Collins
Manager Biosecurity Standards Group
Biosecurity New Zealand
(Pursuant to delegated authority)

2. Republic of Korea Requirements

2.1 Laboratory mice to the Republic of Korea must comply with the import requirements of the Republic of Korea listed in this notice as follows:

2.2 An official veterinarian of New Zealand must certify the following:

2.2.1 The animal(s) for export have originated from a bona fide scientific institution (usually as evidenced by the existence of an Animal Ethics Committee or equivalent arrangement with the organisation).

2.2.2 The mice are specific pathogen free (SPF) animals.

2.2.3 Within 72 hours prior to loading each animal for export was examined and was free from evidence of infectious and contagious disease and ectoparasites.

3. Definitions

For the purposes of this document:

Any term or expression that is defined in the Animal Products Act 1999 and used, but not defined in this document, has the same meaning as in this Act.

Explanatory note

This OMAR is based importing requirements received from Yang Min-Kyu, D.V.M, for NVRQS on the 12 May 2005.
