15. I, the undersigned official veterinarian, hereby certify that :

- a) The products described above were manufactured from the plants approved for exportation.
- b) The said products were packed in hermetically sealed tins and were sterilized at suitable temperature and time with an F_0 value of 3.00 or more.
- c) The products have been subjected to an examination for diseases and contaminants rendered injurious to health and found at the time of examination to be fit for human consumption.

16. Additional declaration :

I, the undersigned official of Thailand, declare with respect to the consignment of product containing bovine meat and bovine meat products to be exported to New Zealand described above that:

- a) The bovine meat imported into Thailand was sourced from animals that have been born, reared, slaughtered and processed in New Zealand.
- b) Copy (ies) of the original health certificate(s) meeting Thailand's import requirements used to import the bovine meat from New Zealand to Thailand is/are attached to this certificate.
Certificate number/s:.....
- c) The products were processed in establishments operating in accordance with the law of Thailand for items intended for human consumption.
- d) The bovine meat and bovine meat products were transported, processed, packaged and stored in Thailand under the general supervision of the Thailand Department of Livestock Development and in accordance with the Official Assurance Programme agreed between the New Zealand Ministry for Primary Industries and Thailand Department of Livestock Development.
- e) The product does not contain meat other than the New Zealand beef covered by this certification.
