Next Meeting: CCGP34 will be held within the next 18 months. The venue is yet to be confirmed.

New Zealand (NZ) attended the 33rd Session in Bordeaux, France.

The main outcomes of importance were as follows:

- Significant progress was made on the detailed content of the Procedural Manual and the process for updating the manual.
- Positive discussions were had regarding the digitalisation of the Procedural Manual and ensuring that the process for digitalisation provided for the most accessible and easy to use format.
- There was full support from the Committee for the new format for the Procedural Manual and the availability of print-ready formats
- New Zealand supported the call for securing sustainable funding for the scientific work of the FAO and WHO
- The Committee agreed to inform other Codex committees of the ongoing work to amend Section 2 part 7 of the Codex Procedural Manual to better align with current practices in Codex and international publishing standards
