**CTO direction to biosecurity inspectors for the clearance of 4 dogs**

Pursuant to section 27(1)(d)(iii) of the Biosecurity Act 1993 I, Vicki Melville, Manager Animal Imports, Ministry for Primary Industries (under delegated authority), give the following directions for

Lagoon Mytye 956 000 008 385 475

Premier Prince 956 000 008 858 878

Winfield Spring 956 000 008 426 522

Miss Valley Inn 956 000 008 407 815

to be given clearance in accordance with the following measures, different from those in veterinary certificate B for dogs from Australia.

This CTOd allows the dogs to be inspected by the Official Veterinarian from Australia in the 3 days prior to travel; taking into account a change in airline flights and no alternative flights being available.

The reason for directing clearance is that the biosecurity risks associated with this CTO direction have been assessed and are managed effectively.

This direction takes effect from the date of signing and continues in effect until amended or revoked.
