DISCLAIMER

The phytosanitary requirements in this document may be used as the basis for export certification. However, exporters should be aware that importing countries may change their requirements at any time; at short notice or without giving notice to New Zealand.

This information is provided strictly on the basis that the Crown, the Ministry for Primary Industries (MPI), its statutory officers, employees, agents and all other persons responsible for or associated with the compilation, writing, editing, approval or publication of the information:

1. disclaim any and all responsibility for any inaccuracy, error, omission, lateness, or any other kind of inadequacy, deficiency or flaw in, or in relation to, the information;

and

2. without limiting (1) above, fully exclude any and all liability of any kind on the part of all of them, to any person or entity that chooses to rely on this information

Compliance with this document is not to be taken as a guarantee that any particular goods will be granted access to any overseas market. We recommend that exporters work with their importers to obtain the most up-to-date information.

1 General Information

Users of this document are strongly advised to read all sections to understand the phytosanitary requirements for a commodity.

1.1 For enquires about this standard email the Plant Exports Team:

plantexports@mpi.govt.nz

Please state the nature of your enquiry in the subject line e.g. American Samoa query or pest interception or password re-set.

For urgent enquiries phone or email Plant Exports

- Telephone: +64 4 894 5693

1.2 Scope

The requirements listed in this Importing Country's Phytosanitary Requirement (ICPR) apply to product of New Zealand only, unless specifically stated.

This ICPR specifies American Samoa's phytosanitary requirements for the stated commodities and commodity classes only. If a commodity or commodity group is not identified within Section 3 or Section 4 exporters should contact:

- American Samoa directly to ascertain requirements
- or
- Ministry for Primary Industries (MPI)-Plant Exports

Users of this document are strongly advised to review all sections of the ICPR for the determination of a commodity's phytosanitary requirements.

1.3 Phytosanitary Legislation

The following legislation controls the importation of plants and plant materials into American Samoa:

- Quarantine Regulations Amendment Section 24.0306, 4 October 1984
- Quarantine Regulations Sections 24.0325-24.0332, 4 October 1984
- Quarantine Regulations Part V - Fees and Penalties - Sections 1-2, 4 October 1984
- Quarantine Regulations Section 13 – Plants
- Quarantine Regulations Part III: General Prohibition Sections 1-8, 4 October 1984

1.4 Fees and charges

- Please note that the determination and provision of phytosanitary requirements, for a commodity not listed within the ICPR may be undertaken on a cost recovered basis. A link to the list of Plant Exports Fees and Charges is available on <http://mpi.govt.nz/exporting/food/fruit-and-vegetables/fees-and-charges/>
