3 Calculation of the net changes in carbon stocks

Important information:

An assessment must be made of the difference between the net change in carbon stocks in the mandatory return period (MERP), and the net change from any prior requests for units (VERs). This will result in either:

- no change to the participant's unit balance;
- the participant being entitled to additional units; or
- a requirement for the participant to surrender units.

Note: you may provide the same information as below on your own form (i.e. a printed excel version) provided the required information is all present.

4 Signatures

Landowner(s) Signature(s)

Every person who constitutes the landowner and/or duly authorised under the authority of the legal structure of the landowner (as applicable) must sign this form.

Incorporated bodies (e.g. companies, limited partnerships and other incorporated entities)

Organisation	Name (please print clearly)	
_____	_____	
Position (if applicable)	Signature	Date
_____	_____	_____
Organisation	Name (please print clearly)	
_____	_____
